

WHAT IS A TIP TEEN?

A student, caught up on all their schoolwork, a **TIPTeen** is **caring and compassionate**, wanting to make a difference in the lives of others in the immediate aftermath of a traumatic experience.

Volunteering with TIP provides Teens a **unique opportunity to earn community service hours dedicated to improving the lives of others.** Teens gain real-life experience in how to express thoughtful empathy and understanding.

TIPTeens always **respond with an adult** TIP Volunteer. Teens are never alone on a call.
